

Accession Meeting Mobile Quick Start Guide

ACCESSION MEETING

Accession Meeting provides audio and video conferencing over the internet, including web collaboration features such as screen sharing, whiteboard annotations and presentation capabilities.

If you have set up Accession Mobile with Accession Meeting, you can invite any of your contacts to join you in a meeting, even if they do not have Accession Mobile!

FIND YOUR PASSWORD

You need your Avid CommPortal phone number and password to start using Accession Communicator for Mobile and Accession Meeting. If you don't have this information, call us on 816.994.7050. You will be prompted to change the password as part of completing the login process.

Tap **Open** on the app and select Avid Communications as your Carrier. Enter your Avid CommPortal *Phone Number* and *Password* and tap **Log in**.

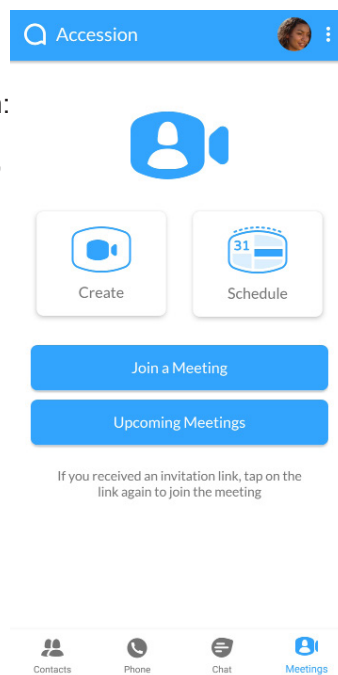

If you want to have the ability to switch calls to your own cellular network (for example, if you move to an area with poor Wi-Fi connection during a call made on Accession Communicator) enter your own mobile phone number and tap **Continue**.
